

## Wolverhampton Substance Misuse Services Consultation

People are being invited to have their say on plans to develop substance misuse services in Wolverhampton.

The existing services on offer in the city are being modernised to fit in with the new national drugs strategy, which brings together all services treating substance misuse including dependence on illicit drugs, alcohol and legal highs.

The new focus for these services will be on the individual, rather than the drugs or alcohol that they are using, and will be designed to offer the best possible help to support people in their recovery.

### Consultation workshops

Wolverhampton City Primary Care Trust (PCT) and [Wolverhampton City Council](#) will be holding a series of consultation workshops so that people can have their say on how the national strategy can best be implemented locally.

Themed workshops will take place on the following dates. Places on the workshops must be booked in advance. Lunch will be provided and transport can be arranged if you have mobility needs.

You can [book your workshop\(s\) online](#).

- Thursday 13 December 2011 (Full Day) - Young People & Whole Family
- Wednesday 14 December 2011 (Full Day) - Core Treatment Systems & Criminal Justice
- Tuesday 17 January (Half Day-Morning) - Integration of Alcohol & Drug Services
- Wednesday 18 January (Full Day) - Abstinence, Peer Support & Community
- Wednesday 25 January (Half Day-Morning) - Primary Care & Enhanced Services

You can download the Information Pack below for more information on the review of substance misuse services in Wolverhampton.
